

SEA-LEVEL RISE AND FLOODING: PLANNING & LAW FOR LOCAL GOVERNMENTS

FRIDAY, SEPTEMBER 23, 2016

This workshop will

- Provide a brief overview of sea-level rise and flooding projections
- Outline key infrastructure and financial challenges
- Show examples of pro-active local government assessment of vulnerabilities through data collection and analysis
- Give an overview of financial and regulatory challenges
- Outline key legal issues and potential responses
- Present detailed information on recent state law changes
- Discuss the importance of engaging the public
- Offer attendees a discussion-forum format to interact with presenters

Location:

Offices of the NE Florida
Regional Council
6850 Belfort Oaks Place
Jacksonville, FL 32216
